

How to Access SAS Visual Analytics on SAS Viya for Learners Platform

Follow the instructions to log into the SAS Viya for Learner environment using your existing SAS Profile. If you do not have a SAS Profile (which is usually the case for the students), you will need to create a new profile (you should be using your school email address).

Step 1. Go to https://www.sas.com/en_us/software/viya-for-learners.html

Step 2. Select Access for students

Step 3. Create profile

The image shows the SAS sign-in and profile creation page. At the top, it says "Sign in". Below this, there is a "Username" field and a "Remember me" checkbox. A "Next" button is below the checkbox. Below the "Next" button, there is a paragraph of text: "Users authenticating with single sign on using their corporate login credentials will be passing their name, email address and country to SAS under the terms of the SAS Privacy Statement and agree to comply with the SAS Terms of Use." Below this, there are links for "Forgot password?" and "Need help?". At the bottom, there is a "New user?" section with a paragraph of text: "A SAS Profile gives you quick and easy access to SAS communities, technical support, software downloads and hot fixes, training, newsletters and more." Below this, there is a "Create profile" button. At the very bottom, there are links for "Privacy Statement | Terms of Use and Legal Information" and "Copyright © SAS Institute Inc. All rights reserved."

Step 4. Complete the profile information. Again, make sure to use your school email address. Click on the Crete profile button at the end of the page.

SAS Profile

Step 1 of 2: Tell us about yourself.

Preferred Language

First Name *

Last Name *

Email *

Country/Region *

Affiliation With SAS *

Company/Organization *

*Required

Step 5. You will get the following message, indicating that you are to go to your email and click on the email verification link.

SAS Profile

Thank you for creating a SAS Profile. You're almost done!

A verification email has been sent to the address you provided. To verify your email address and activate your profile, click the link in the email (subject: *Please activate your SAS Profile*). You will then be prompted to set a password.

It may take a few minutes for the email to reach your inbox. If you do not receive the email, check your junk email folder.

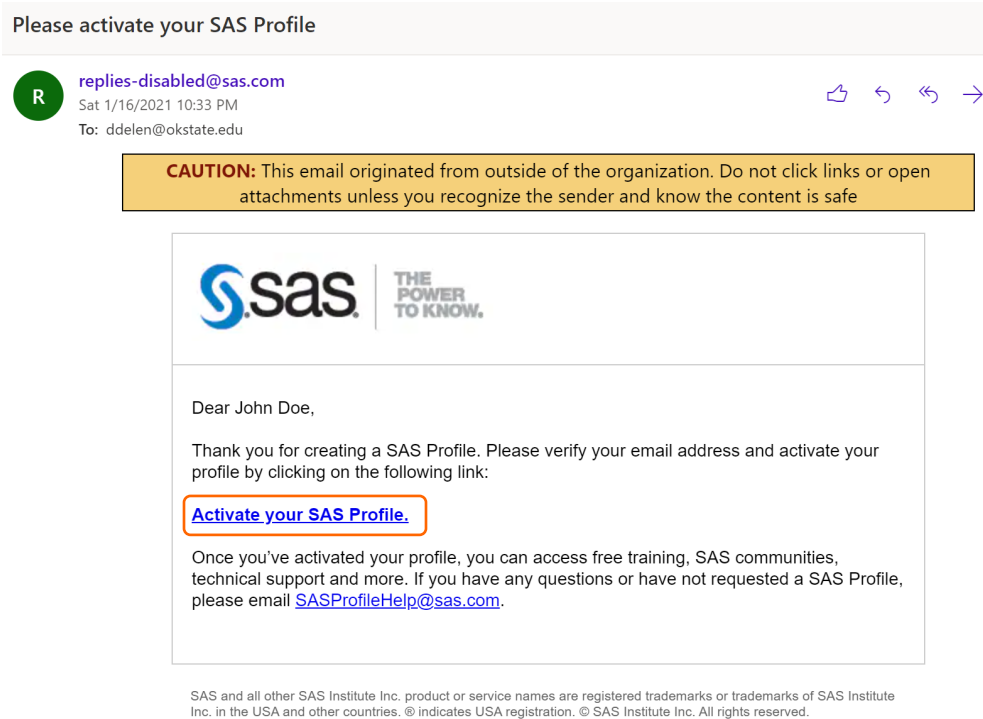

To ensure that emails from SAS are not blocked by your mailserver, add sas.com to your list of safe sender domains.

If you have trouble creating your SAS profile, send email to SASProfileHelp@sas.com.

Step 6. This is how the email link will look like. Click on *Activate your SAS profile*.

Step 7. Create your password. Make sure to follow the password requirements (see the following screenshot).

The screenshot shows the "SAS Profile" page with the heading "SAS Profile". Below it, the text says "Step 2 of 2: Please set your new password." There are two input fields: "Password (show)" and "Confirm password". Below the input fields is a blue button labeled "Set password". At the bottom, there are links for "Privacy Statement | Terms of Use and Legal Information" and a copyright notice: "Copyright © SAS Institute Inc. All rights reserved."

SAS Profile

Step 2 of 2: Please set your new password.

Password (show)

.....

✓

Do not use #, \, -, first name, last name, or part of your email address.

Your password must contain at least:

✓ 8 characters	✓ 1 lowercase letter	✓ 1 uppercase letter	✓ 1 symbol	✓ 1 number
----------------	----------------------	----------------------	------------	------------

Confirm password

for Learners 3.5

More Information

Important notes about using Viya for Learners:

- Viya for Learners is a shared resource. To maintain resources for all users, inactive accounts may be deleted. Inactive users will be given 30 days notice prior to deletion and should log in to Viya for Learners to maintain access.

Be patient... sometimes it may take a few seconds/minutes for the SAS Viya page to load.

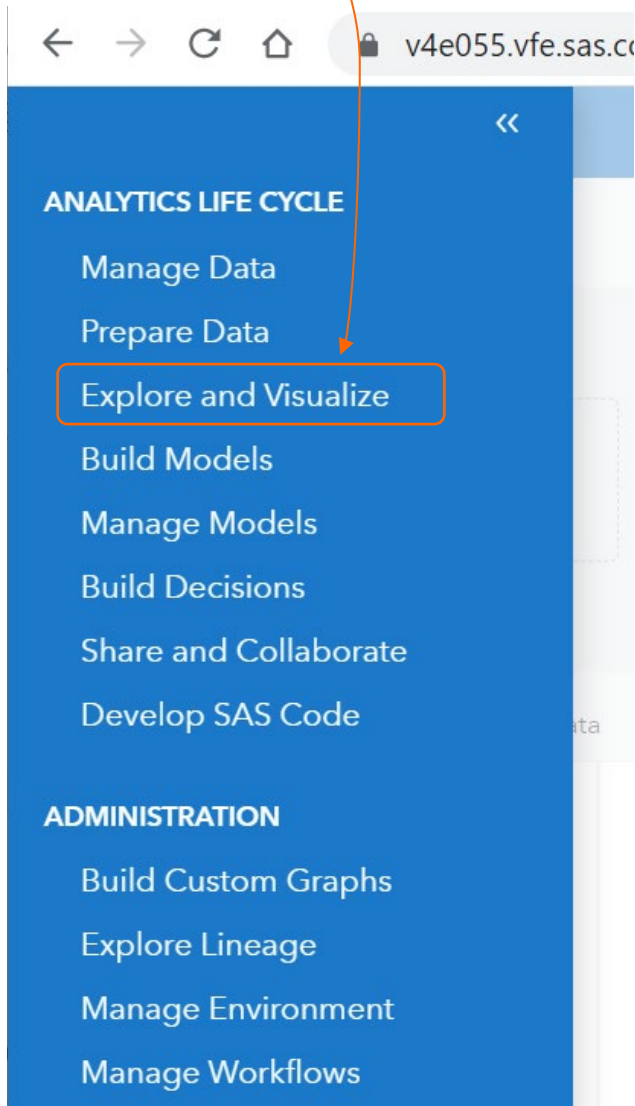

12. Now that you are in. You may continue with the instructions given in the homework assignment #1 document.

To start the Visual Analytics, click on the following icon on upper left corner.

Select *Explore and Visualize* from the dropdown menu.

Enjoy!

--Dr. Delen
