SYLLABUS ATTACHMENT

SPRING 2023

<http://academicaffairs.okstate.edu>

Your success as a student is our top priority, so the following information is provided to answer questions most often asked by students. Be assured the OSU faculty and staff want you to be successful in your educational pursuits. If you have questions or concerns, please be sure to seek help EARLY! We are here to assist you.

As a student, you may experience a range of issues that can cause barriers to learning. Mental health concerns, such as strained relationships, increased anxiety, alcohol/drug problems, difficulty concentrating, and/or a lack of motivation, can lead to diminished academic performance and/or feelings of distress. A lack of access to basic needs including food, housing, or hygiene products, can negatively affect your ability to do well in your courses. Whatever your need, the OSU community is here for you and wants to provide resources to best support your needs. You can access [mental health resources](#), [health and wellness resources](#), and the [Basic Needs Resource Center](#) to help navigate college life (<https://ssc.okstate.edu/student-support/resources/index.html>). You can request assistance in navigating resources or share concerns you might have about a peer at Student Support and Conduct (<https://ssc.okstate.edu/report/index.html>).

Please be aware modifications may be made to the guidance provided in this document during the Spring 2023 semester depending on continued implementation of the federal contractor mandate, campus and local COVID transmission rates, and/or masking expectations.

ALERTS AND RESCHEDULING

If the OSU campus officially closes due to inclement weather or other emergencies, alerts are provided to local news media and posted on the OSU website. Missed exams, classes, or assignments may be rescheduled at times outside the normal meeting schedule. If valid, documented circumstances prohibit students from attending the rescheduled classes, instructors should provide reasonable alternative means for makeup work.

CAMPUS SAFETY

OSU provides a service called **Cowboy Alert** that will notify students, faculty, and staff in the event of an emergency. In a situation deemed an emergency, OSU officials will send a message to members of the OSU community with information regarding the event and how they should proceed. This information may be in the form of a voice message, text message, and/or email. To ensure your contact number is correct, log into your [O-Key](#) account. From there, navigate to the left menu and select "Emergency Contacts." If you have questions, please contact the IT Help Desk (helpdesk@okstate.edu).

In the event of an emergency or disturbance on campus, the OSU Campus Safety Facebook page (@OkstatePD) and Twitter (@OkstateSafety) will have regular updates when warranted. A Cowboy Alert might also include a link to the OSU Department of Public Safety webpage (safety.okstate.edu) for more information.

Also, as part of OSU's commitment to campus safety, the campus adopted **Rave Guardian**, a free mobile app that turns any smartphone into a personal safety resource. Find it in the [Apple](#) or [Google Play](#) app stores. Rave Guardian provides a way to set a safety timer if you're traveling, send anonymous tips to the OSU Police Department through a chat feature, request a SafeWalk, or see a list of important numbers.

DROPPING A COURSE AND WITHDRAWING FROM THE UNIVERSITY

students often confuse these terms:

- **Dropping a course** refers to the dropping of one or more classes while remaining enrolled in at least one other OSU course for a given semester. Students may request to drop a course during the 13th and 14th weeks of the semester with instructor and advisor permission. The grade of "W" or "F" will be assigned by the instructor. Drop and refund deadlines can be found within the [Academic Calendar](#). Summer courses and other short courses that vary from the standard 16-week semester follow proportionate drop and refund periods.
- **Withdrawing** from the university means dropping *all* courses, and you *are no longer enrolled for the current semester*. The withdrawal process is initiated with your academic advisor. Withdrawal deadlines can be found within the [Academic](#)

[Calendar](#). Withdrawal deadlines involving summer courses and other short courses that vary from the standard 16-week semester follow proportionate withdrawal periods.

Exceptions to the deadlines above may only be considered by petition due to documented extraordinary circumstances and committee approval. The Retroactive Drop/Withdraw and Refund of Tuition and Fees Petition is available on the Academic Affairs website:

<https://academicaffairs.okstate.edu/faculty-development/add-drop-withdraw.html>.

ACADEMIC INTEGRITY

101 Whitehurst/405-744-5627/<http://academicintegrity.okstate.edu>

OSU is committed to maintaining the highest standards of integrity and ethical conduct. This level of ethical behavior and integrity will be maintained in all OSU courses. Participating in behavior that violates academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, cheating on examinations, fabricating information, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and altering academic records) will result in an official academic sanction. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination, or course, receiving a notation of a violation of academic integrity on your transcript and being suspended from the University. Students have the right to appeal the charge.

COPYRIGHT & FAIR USE POLICY OF COURSE MATERIALS

Course materials may not be published, leased, sold to others, or used for any purpose other than appropriate OSU-related individual or group study without the written permission of the faculty member in charge of the course and other copyright holders. This paragraph grants you a limited license giving you access to materials for this course, including PowerPoint slides, audio/video recordings, written, or other materials, for appropriate OSU-related educational use only. Lectures should not be recorded without permission from the faculty member and must not be further disseminated or shared. Assignments, quizzes, and exams (individual questions or in their entirety) should not be uploaded to websites offering note-sharing, tutoring, or other academic help (free or by paid subscription).

CLASS ATTENDANCE AND PARTICIPATION

Class attendance is a critical component of learning; therefore, you are expected to attend and participate fully in all scheduled class meetings. Many instructors consider attendance so essential your grade may be affected by your absence, and some departments and professors have mandatory attendance policies. If no written attendance policy is provided before the last day to add a class without instructor permission, no penalty may be assessed for class absences although you may not be permitted to make up certain in-class activities.

If you are ill, you should stay home. Faculty are expected to treat a positive COVID test result as appropriate documentation for an excused absence and are encouraged to remain flexible for students who need to quarantine for other COVID-related issues (e.g., member of household instructed to quarantine). Although instructors may be willing to livestream in-person courses through an online platform, livestreaming is not required or expected. Each instructor will determine how to best assist students with excused absences (including absences due to quarantine requirements) for in-person classes and should include details in their course syllabus.

If you are required to participate in official university-sponsored activities or military training, you should receive an excused absence as discussed in OSU's [Attendance Policy for Students](#). If you will be absent from class for sponsored activities, you must provide prior notification of the planned absence to the instructor. You may be

required to submit assignments or take examinations before the planned absence.

PRE-FINALS WEEK POLICY

Final examinations are scheduled at the end of each semester and are preceded by pre-finals week, which begins seven days prior to the first day of finals. During pre-finals week, all normal class activities will continue; however, no assignment, test, or examination accounting for more than 5% of the course grade may be given; and no activity or field trip may be scheduled that conflicts with another class. This excludes makeup and laboratory examinations, out-of-class assignments (or projects) made prior to pre-finals week and independent study courses. No student or campus organization may hold meetings, banquets, receptions, or may sponsor or participate in any activity, program, or related function that requires student participation. For additional information, contact the Office of Academic Affairs, 405-744-5627, 101 Whitehurst.

FINAL EXAM OVERLOAD POLICY

In the event you have three or more final exams scheduled for a single day, you are entitled to arrange with the instructor of the highest numbered course (4 digit course number) or two highest, if you have four finals on one day, to re-schedule that examination(s) at a time of mutual convenience during final exam week. If the final exam overload includes a common final exam, the common final exam is excluded from rescheduling unless multiple common exams are scheduled at the same time. You should submit this request in writing, with a copy of your class schedule, at least two weeks prior to the beginning of final exam week. The instructor has one week prior to the beginning of final exam week to arrange a mutually convenient time for administration of the final exam. After one week, if an agreement cannot be reached, take the request to the department head.
