

Final Exam Review Questions

Instructions

- Every student has been randomly assigned to a group of 7 or 8 students that will cover 1 weeks worth of material for this semester. Your group name will indicate the week of material your group is responsible for.
- Each group member needs to create 2 multiple choice questions for your groups designated weekly material. Make sure they are labeled with your name.
- Ensure you follow the question writing rules:
 1. Focus your question on one main concept that needs to be assessed
 2. Be as explicit and complete in your wording as possible but not lengthy when writing the stem (question portion)
 3. Have one correct answer and at least 3 distractors or alternatives
 4. Make sure distractors are plausible
