

TABLEAU FOR EDUCATION – TEACHING & LEARNING

You can go to the landing page to download Tableau, download and install it, and then use the Desktop Key noted below to activate it. This key will activate your license for this class for the duration of the course, and some more.

- Landing Page: <https://www.tableau.com/tft/activation>
- Instructions: Click on the link above and select **Download Tableau Desktop**. On the form, enter your university email address for “Business email” (i.e., the okstate.edu email); and under "Organization", please input the name of your school (i.e., Oklahoma State University).
- Download Tableau Desktop and Tableau Prep [here](#)
- Activate with your product key: **TC6K-C447-10C0-868D-59A8**
- **Please activate the software on one computer** (we are given limited number of activations for this class).

Enjoy!
