Are you ready for Online Learning?

Preparing for Online Learning

No matter if you are continuing on with school or coming back while working or any other situation, online learning can be isolating if you aren't prepared or engaged. I really encourage each and every student to get the most out of this online class by participating in all aspects of the class. To help you prepare, please check out these resources before you get started with the class.

Recommended for students new to online learning

- **Introduction to Online Learning (https://apps.3cmediasolutions.org/oei/modules/intro/index.html)**

Recommended for all online students

1. **OSU Canvas How to Videos   (https://osuonline.okstate.edu/canvas-student-videos.html)**
